TRY-OUT PROCEDURE

Once all players have been evaluated and placed in categories 1,2 or 3 their names will be placed in hat #1, hat #2 or hat #3. NOT including the coaches/asst. kids. All coaches/asst. kids will be evaluated like everyone else in the try-outs and will be placed in the appropriate categories agreed upon by all coaches and the PVYB. Every coach will draw a player out of hat #1 until the hat is empty and so on with hat #2 and hat #3. All teams must be numerically equal or close before the drawing process can begin. Example: (if it was determined that your kid and your asst.'s kid are placed in category #1, then you are starting with two number 1's.....so all other teams will draw out of the appropriate hat until all teams are even numerically, the same rules apply no matter what your own kids are categorized).

NO SHOWS or LATE REGISTRATION

These players will and must attend a make-up try-outs in order to play basketball with the PVYB league. It will not be mandatory (but recommended) for the coaches and PVYB board members to be present for this make-up-try-outs. The PVYB League will place these players on the appropriate teams.
